Rotary ShelterBoxes for Haiti - Disaster Relief -A Display at Park Royal

West Vancouver, January 25, 2010 -- The North Shore Rotary Clubs will have a ShelterBox on display at Park Royal South on Saturday and Sunday, January 30 and 31 near the Food Fair. The ShelterBox Project to Haiti have over 2,000 boxes on the ground at this moment helping people in their worst times to provide them comfort and a place to call home for the period of time that it takes them to rebuild their lives after a natural disaster. Since its inception ShelterBoxes have been distributed to every continent except Antarctica and Australia. Its founder Tom Henderson was recently profiled as one of CNN's Heroes.

The first ShelterBoxes have already been delivered to Haiti and are being used for a hospital site near the airport. The goal is to send 10,000 ShelterBoxes to house up to 100,000 people!

Donations of any amount are welcome. With every \$1000 raised, we can purchase one Shelter Box; the price includes transportation to Haiti.

Please imagine for a moment how you would feel if we had an earthquake here and you lost your home and your income and had no where to go.

About ShelterBox

ShelterBox is a disaster relief charity whose mission is to provide humanitarian aid worldwide in the form of shelter, warmth and comfort for people displaced by natural and other disasters.

This aid is provided in the form of ShelterBoxes¹, which are tailored to each situation, but generally contain a 10-person tent, blankets, tools, water purification and cooking equipment. Every box is individually numbered and can be tracked by donors.

ShelterBox has helped millions of people worldwide and responded to 72 disasters including the Indian Ocean tsunami, Hurricane Katrina and the Pakistan and Kashmir earthquake as well as the recent catastrophes in Burma and China. ShelterBox also has an ongoing program in Africa called A Million in Africa, which aims to help one million people who have been displaced or left homeless by events such as the HIV/AIDS crisis and civil conflict.

The Shelterbox Canada Project was founded within the Rotary Club of Ladysmith <<http://www.rotary.nisa.com/ladysmith>> , British Columbia, and is promoted and administered by Rotarians from across Canada.
