

Rotary Donation to the Lions Gate Hospital Foundation

WEST VANCOUVER, April 12, 2011 – The Rotary Club of West Vancouver Sunrise will be donating \$4,000 to the Lions Gate Hospital Foundation on Thursday, April 14, at their regular breakfast meeting, 7:15 – 8:30 am at the Capilano Golf and Country Club at 420 Southborough Drive, West Vancouver. The Rotary Club raised the funds at their Spring Fling Murder Mystery fund raiser on April 2nd.

Judy Savage, President of the Lions Gate Hospital Foundation, will be available to accept the cheque which is being donated for the campaign for the new Mental Health and Addictions Centre as a tribute to Val Stephenson.

The Spring Fling was a fun event with great food and live and silent auctions. A special thank you goes to the event sponsor, the North Shore News, and to the many organizations and individuals who donated auction items.

The meeting on April 2nd will also be a celebration of our first year of meetings at the Capilano Golf and County Club. Many community leaders and dignitaries will be in attendance. The speaker will be Chris Loat with an update on the work that Shelterbox is providing in the relief efforts in Japan.

The Rotary Club of West Vancouver Sunrise has served the North Shore since 1989 providing hands-on service and fundraising for community and international projects. See www.rcwvs.org for more information, or call Janice at 604-921-7583. Guests are always welcome to attend our Thursday morning meetings. For more information about Rotary International, see www.rotary.org.
