

**ROTARY RIDE FOR RESCUE**  
**CYPRESS MOUNTAIN HILL CLIMB**  
**SATURDAY, OCTOBER 1, 2011**

The Rotary Club of West Vancouver Sunrise is sponsoring a Cypress Mountain Hill Climb to help raise funds for equipment for the North Shore Rescue.

Everyone should be aware that all the members of this much publized team are volunteers and all funding they receive goes directly to purchase updated equipment for the rescues they perform. When on duty these dedicated men and women are always ready to assist in rescuing anyone who is lost or missing on the North Shore. They willingly give up time with their families and friends to help those who are in danger on the North Shore.

We need your help in getting the word out that this event is taking place. North Shore Rescue is a North Shore rescue team but its members serve the entire GVRD - the statistics show that the majority of people rescued are not from the North Shore but from the GVRD and out of province.

For more information or to to register for the ride people can go to [RotaryRideForRescue.org](http://RotaryRideForRescue.org) - you do not have to participate in the ride to donate - you can also assist by giving a donation on our website.
